Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted Mr. Sullivan on January 24, 2005 to discuss claims 101-103, 117-121, 123, 126-128. The examiner reminded Mr. Sullivan that these claims need to be canceled in order to put the application in condition for allowance. The examiner had an error in previous Office Action mailed with objection to claims 113, 115, 122, 124-125 and put them under allowable subject matter. However, the examiner stated this to Mr. Sullivan and explained that claims 113, 115, 122, 124-125 disclose Markush groups claims (MPEP 2173.05(h)). Mr. Sullivan agreed that these claims were not allowable and proposed for an amendment incorporating the allowable limitation from an allowed claim 65. Finally, an agreement was reached on March 1, 2005. See examiner's amendment and allowance for details.
